FCA LEADER FROM KOREA

ONE

WORLD • VISION • TEAM

Since 2007, FCA has been reaching coaches and athletes outside of the United States, but it was humble beginnings with five camps reaching 760 competitors. Over the last 11 years, God has breathed on the international movement, and FCA now has 294 camps reaching over 40,000.

Through the leadership of 164 international leaders, FCA has significantly grown in 3D Coaching Workshops. From Olympic Committees to Youth Programs, the 3D Coaching training has been catalytic, providing coaches a clear game-plan to capture the hearts of their players. A total of 102 workshops and clinics reached 4,743 coaches with the 3D outreaches.

FCA has continued to expand their Bible resources by providing Sport Bible Handbooks in Spanish, Korean and Russian. Next year, Portuguese, French and Mandarin will be added. These resources equip and empower the coaches and athletes to effectively develop ministry and reach more competitors.

FCA's vision is to reach every coach, every athlete, every team, every community in every country! The Gospel is spreading throughout the whole world and bearing fruit. Join us as we serve the nations.
